President and Founder "Sisters 4 Sisters Network, Inc"

If you know **Peggy Morris**, then you know her true love and passion for Sisterhood! A native of Baltimore, Peggy received her Bachelor of Arts in Sociology from Morgan State University. Her professional career spans over 28 years in the telecommunications industry, 8 years in the non-profit arena and 8 years in county government. Most recently, Peggy retired from the Prince George's County Government in the Office of Community Relations.

Peggy grew up with five sisters and their parents always encouraged them, no matter what, they stick together and today, that sisterly bond is perpetuated through Sisters 4 Sisters Network, Inc. (S4SN). As President and Founder of S4SN, Peggy along with her cousin, Audrey Dickson and two friends, Sharon J. Bullock and Dee Adams saw a need to create a platform to allow like-minded women to come together to exchange information, resources, and contacts to encourage each other to push forward to follow their dreams. Peggy's desire was to create a venue where women could come together and "toot" their own horns in celebration. So, in 2002, they organized and founded Sisters 4 Sisters Network, Inc., a unique networking organization dedicated to helping women to build lasting relationships through the art of networking.

As Peggy's true commitment to her organization, they are currently celebrating 15 years of inspiring women to start their own businesses, to play an intricate part in their communities and most importantly, reach back and mentor our youth. Peggy has also committed her own talent and gift in the area of photography and videography to help women in her organization to grow and expand their businesses. She feels if she can provide them with the right tools to help tell their story, then they too can leave a legacy through their published books, special events, newspaper articles, magazines, and publications.

Peggy has received many community service awards for her true commitment in helping to make a difference in her community. She will tell you that she lives by the words of Mahatma Gandhi – "The best way to find yourself, is to lose yourself in the services of others."

Peggy continuous efforts, dedication to family and commitment to her community are the true meaning of Leaving a Legacy!
